

BOOKING OF CAMBALALA HUT

Reservations

Reservations are only secured on receipt of full deposit fee, payable directly after booking. The remainder of the fees must be paid prior to your visit. Cancellation of reservation allows for a full refund, except during school or public holidays.

Please check availability and confirm your booking and payment with Clem Robins at **clemnolarobins@gmail.com**

The cottage may only be booked a maximum of six months in advance by members of the Kwa-Zulu Natal section of the MCSA, and a maximum of three months in advance by members of other sections.

Over weekends there is a minimum booking stay of two nights

FEES

Cottage: **R100** per night, which is required as a deposit. Additional fees: per member **R80/** night, per non-member **R 140/** night. Children over the age of 14 are considered as adults. Deposit to be paid at time of reservation, and charges include gas.

MIKES PASS

MIKES PASS has been intermittently CLOSED TO THE GENERAL PUBLIC due to landslide damage. We have received special permission to access the house from KZN Wildlife, provided we fill in an indemnity form. Your membership card and the attached indemnity form (**one per vehicle**) are needed at the gate at the base of Mike's Pass. Please state that you are going to Cambalala. **There is a chain across the road after the NO Entry sign on the road going to the house at near the top of Mikes Pass, this is for control entry to the house. One of the locks, the key is the same as the Cambalala house front door key. Please do not leave the gate unlocked.**

IMPORTANT: The pass has in the past closed at 6pm: please **still observe the 6pm time restraint** in order to preserve our privileged access. We realise this makes it difficult for non-KZN members to arrive in time on a Friday, but you will need to plan accordingly.

Maximum Occupancy

8 adults (16 years and over). The approximate maximum ratio of non-members to members is 2:1.

Collection of keys

Having made prior arrangements (at least 5 days before needing keys), keys may be collected from the following people:
