

JULY CAMP 2023 at MONK'S COWL IS DEFINITELY ON!!!

HERE, AS PROOF IS THE BEAUTIFUL BROCHURE AND THE ONLINE APPLICATION FORM

NOW, ALL YOU HAVE TO DO IS APPLY

The brochure was finished several weeks ago but we felt it was definitely worth waiting for the response to our request to Ezemvelo for a reduction in the Camping fees since Monk's Cowl is one of the most expensive Campsites in our beloved Drakensberg. After the wheels had turned, we got the discount, so now it is all systems Go, Go, Go.....

We really are looking forward to seeing a goodly number of our regular Campers, as well as new faces and, of course, as always, we welcome children.

There are **four innovations** that we hope will make this Camp rather special, a bit different and even better than usual.

Perhaps as something of an apology for that terrible road we had to negotiate to last year's wonderful Injisuthi Campsite, this year there is a tar road all the way right into the parking lot at the Monk's Cowl Campsite!!

Also, in response to the vegetarians in our midst we have made plans to try and include their needs while trying not to infringe on the likes of the majority of our Campers.

Then for those Campers who have requested a self-catering option we are introducing that on a trial basis.

And then, in the total package for the July Camp 2023 at Monk's Cowl we are offering a July Camp 2023 buff free to all Campers!!

We look forward to welcoming you to July Camp 2023 at Monk's Cowl.
